**'When you're smiling'**

When you're smiling, When you're smiling  
The whole world smiles with you  
When you're laughing, When you're laughing  
The sun comes shining through

But when you're crying, You bring on the rain  
So stop your sighing; Be happy again  
Keep on smiling; Cause when you're smiling  
The whole world smiles with you

When you're smiling; When you're smiling  
The whole world smiles with you  
When you're laughing; When you're laughing  
That sun comes shining through

But when you're crying, You bring on the rain  
So stop your sighing, Be happy again  
Keep on smiling; Cause when you're smiling  
The whole world smiles with you
