

Securing the Future

We are always looking to the future as we intend St Paul's Church to remain a central community resource for the parish of Witherslack, Meathop, and Alpha.

Our plans to "restore" St. Paul's Church include the provision of modern-day facilities such as a disabled-access Toilet and a small Kitchenette. We also plan to create a little more space in the church through a sensitive re-ordering of a few pews.

These developments will open up the use of the building to other groups and see St. Paul's potential unlocked as a future Concert and Recital venue, a place where our local Dean Barwick School can more easily gather, an exhibition space, and for other creative uses.

We have ongoing fabric repairs to ensure our 350 year-old building remains in good condition and fit for purpose in the 21st century.

Our future

Dear Friends

"We have a beautiful church here in Witherslack and are determined that it should remain available for those key events in life - Christenings, Weddings, and Funerals, as well as for Sunday Worship and community activities. Leaving a Gift to St. Paul's Church will not only help us now, but will also secure our future. We warmly invite you to consider leaving a social legacy to the village through a Gift to our local church. It will make such a difference." Rev. Michael Woodcock, Parish Priest.

THE 1671 CLUB

St. Paul's Church was consecrated in June 1671, and thus we celebrate our 350th anniversary in 2021. Our new 1671 Club celebrates the commitment of all those generous individuals, past and present, who have indicated that they will leave a gift to St. Paul's Church in their Wills. Each year at 8 pm on 29th June (the Feast of St. Paul) we will gather together at the Derby Arms and raise a glass to our Benefactors, ensuring that their generosity is remembered for years to come. We hope that you too might consider remembering St. Paul's in your Will and become a member of the 1671 Club. Contact Michael Woodcock for further details.
