*Living in Love and Faith is a set of resources from the Church of England produced to help inspire people to think more deeply both about what it means to be human, and to live in love and faith with one another. **Living in Love and Faith** tackles the tough questions and the divisions among Christians about what it means to be holy in a society in which understandings and practices of gender, sexuality and marriage continue to change.*

If you weren't able to come to this Course when it was running in the winter, then do take advantage of this opportunity on these five Monday afternoons. (The Course is also being run on Tuesday evenings at the same venue beginning on 31st May, but Rev. Michael is not involved in leading those sessions)
